DELCO-LIGHT

The Complete Electric Light and Power Plant

TIKE all other Delco-Light plants, this model at \$295 has the famous valve-in-head, four-cycle, air-cooled motor. It is self-cranking. There is only one place to oil. It runs on kerosene, is economical and easy to operate. Years of Delco-Light engineering development, together with the experience gained from over 135,000 users have combined to produce the value that is represented in all Delco-Light Products. There are twenty-five styles and sizes of Delco-Light plants, to meet every need of farms, stores, country homes and all those places where individual lighting plants are a necessity.

Write for catalog or come in and let us tell you what Delco-Light can do for you. Delco-Light betters living conditions and pays for itself.
